No more wifi only!!! ★★★★★
by Vyse347

I always really enjoyed using this app, it is easy to navigate, I have no playback issues and it's crashed once in the several months I have used it. My only problem with the app was the wifi only restriction, something that really limited our use of the app outside the house. I loved to see this morning when I went to update and saw they [...More](#)

Finally! ★★★★★
by HairlessBeachApe

Finally this app is useful with the addition of streaming via your data plan.

One of my favorite places for using this app is at the gym while doing cardio (anything to distract me while doing [...More](#)

Wifi requirement gone! ★★
by Kanepy

Removing the wifi requirement has made great improvements on how/when I can use this app.

Unfortunately, it is not working well. The audio stream continues perfects, but the video will randomly start from the [...More](#)
