Description

The official YouTube Kids app is designed for curious little minds to dive into a world of discovery, learning, and entertainment. This free app is delightfully simple and packed full of age-appropriate videos, channels and playlists. YouTube Kids features popular children’s programming, plus kid-friendly content from filmmakers, teachers, and

Customer Reviews

- Perfect for advertisers!!!!** ★★★★★  
by Crashnoworky

If you are an advertiser and want to direct your marketing at three year olds, this is the app for you!!!

If you are a child, this app is designed with you in mind! The viewer (child) will be subjected to all of the stuff that

- Easy & lots of fun** ★★★★★  
by RobinKinSWFL

Okay, I downloaded this app initially just because of the one snarky "oh, it's a left-wing propaganda app!" review, I admit it. I found it hard to believe, and indeed, upon close inspection I found nothing political about any of the videos available. A kook in every crowd, I guess.

- Good but not without problems** ★★★  
by thejohnstoncrew

While this version greatly limits bad content, within a few hours my child found Minecraft videos that also showed content about Five Nights at Freddy's. This is a horror video that should never be shown to children. You should give parents the ability to remove certain content or provide a forum to report inappropriate content so that they can
