Great but could be better ★★★★★
by Dman568

It is a great app and I use it everyday to watch videos of famous youtubers. It's the most used app in my phone. One thing that would be a really great thing to add is being able to go back to the previous video you just watched. It kinda gets annoying when I have to go all the way back to the first video and keep clicking the suggestions to get to ...More

Full screen delay ★★★
by orion1986

I would give this app 4 or 5 stars were it not for that 5 second delay that comes when I try to go full screen. I have an iPod touch 5th generation, and despite this new update, there's still that delay whenever I try to flip my iPod touch to go full screen. ...More

Broken ★
by Not worth –6.99

This app works for a about 1–10 minutes before something goes wrong. When something goes wrong, basically nothing will load. It just says a bunch of errors usually starting with error loading captions followed by playback error and other errors. The sad thing is, is that Siri and everything else will work so I know it's the app and not my ...More
